

The essential oils used for Lyme/Babesia are as follows:

In a 2oz glass dropper bottle:

vegetable oil- 6 droppers

Peppermint- 9 droppers

Melissa- 6 droppers

Helichrysum- 3 droppers

Ravensara- 3 droppers

Thyme vulgaris- 6 droppers

Frankincense- 6 droppers

Oregano- 6 droppers

Myrrh- 6 droppers

Longevity- 6 droppers

Succuss this mixture on your palm 50 times. Fill empty capsules each with 20 drops (1 dropperful). Take 1 capsule 3 times daily, at least 30 min before meals. This will be a 20 day supply.
